Dear Parents & Supporters,

For the first time in Kuei Luck history, we're proud to present our first ever Kuei Luck Family Fun Run/Walk & Roll 3K Event on Saturday July 30<sup>th</sup>, 2016. Please join us in support to raising money and collecting donations for the local community music programs in our local public schools.

We are asking participants to give back and contribute a small amount of money that would bring great impact. All net proceeds will go towards support music programs throughout the local school district.

We are also asking generous donors to donate any old instruments such as trumpets, violins, saxophones, and trombones. We are blessed to have such caring parents and supporters and we thank you in advance for the generosity and unconditional support.

Please join us on Saturday July 30<sup>th</sup>, 2016 at Cunningham Park for a fun day of events such as our Family Fun Run/Walk & Roll, big field games, and not to mention food!!
